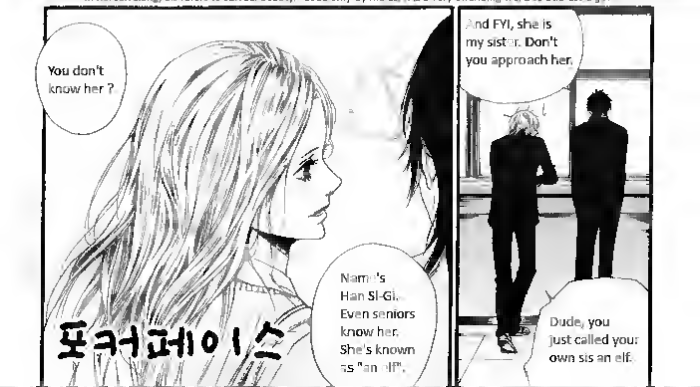
* In Korean slang, elf refers to surreal beauty. Used only by males, it is a very offending word to address a girl



You don't know her ?
Name's Han Si-Gi. Even seniors know her. She's known as "an elf".

And FYI, she is my sister. Don't you approach her.
Dude, you just called your own sis an elf.

So you really have a sister ?
You've always talked about one but never introduced her to me so I figured you were talking about a hentai game character or something
Dude
Isn't she pretty ?
Hell, yeah
A little weird though Dong-Soo's sister looks very alike him
But your s s looks nothing like you
I guess this is the beauty of DNA, eh
Of course she looks different
She's from a different father

"Don't tell anyone "

"She doesn't know "

It was at the beginning of the first semester as juniors

I found out that he had such a sister only a day after we became classmates..

And it took 2 years for him to tell me that the sister was a result of an affair

It was not a topic to cheer about but I was actually happy

Because he has always kept a certain distance with everyone

And I felt like he opened up more to me when he confessed the truth about his sister

However
찰칵
Oppa you are home
Yeah
Ah Hyeon Sek oppa's here too
Which library ?
The one by townhall I won t be that late
See you !

Again
That face ...

She doesn t know
Even if she does find out it doesn't change the fact
If she want to keep the truth away from her, do something about your face at least
Still
If possible
I want to keep th.s secret from her as long as possible
It pains others to see t
Yeah

That's my sister. Don't approach her.
Even if she does ...
It doesn't change the fact (that she is my s ster)
She do..sn't know.

"Have you noticed anyth ng unsuaul ?"
"I am sure we can tell when he gets close to a girl he likes "

Are you looking at Si Gi ?
You are so easy to read
If I were her, I would have noticed ...
Maybe not
Hey ...
Do you ... by any chance ...
Ah ?
Me ?
What ?
Why ?
Nevermind.
I will go get the bags
확

You must Find me d sgusting
Not really
I don't have any brothers and sisters
There were few times that I found fr ends s sters cute though
Don't you approach my sister !
Hahaha so you do like her
How
Did you find out ?

When ...
I overheard what my aunt and grandmother were talking
I thought I heard them wrong I believed so
But
As more time passed
As I heard more and had more clues
How in the world did she decide to raise such a child as her own in the family ?
It should have not happened in the first place !
It should have not !
How in the world !
Everything I knew about my own mother started to break apart
But

If it wasn t her dec sion to take her in
I wouldn't have met her
And in a way I thanked her – Sincerely
And at the same time
I hated her
Damn it !

Why ! Why d d she have to be born from my mother's womb ?!
Why does she have the same mother as me ?!
Different father ... then why not ... why not ... !!!
SHE COULD HAVE BEEN A CLASSMATE !
SHE COULD HAVE BEEN A NEIGHBOR !
SHE COULD HAVE BEEN MY SEONBAE !
OR EVEN HUBAE !
THERE ARE ENDLESS POSSIBILITIES ! WHY ! WHY DOES IT HAVE TO BE ONE WITH A DEAD END ?!
Why ...

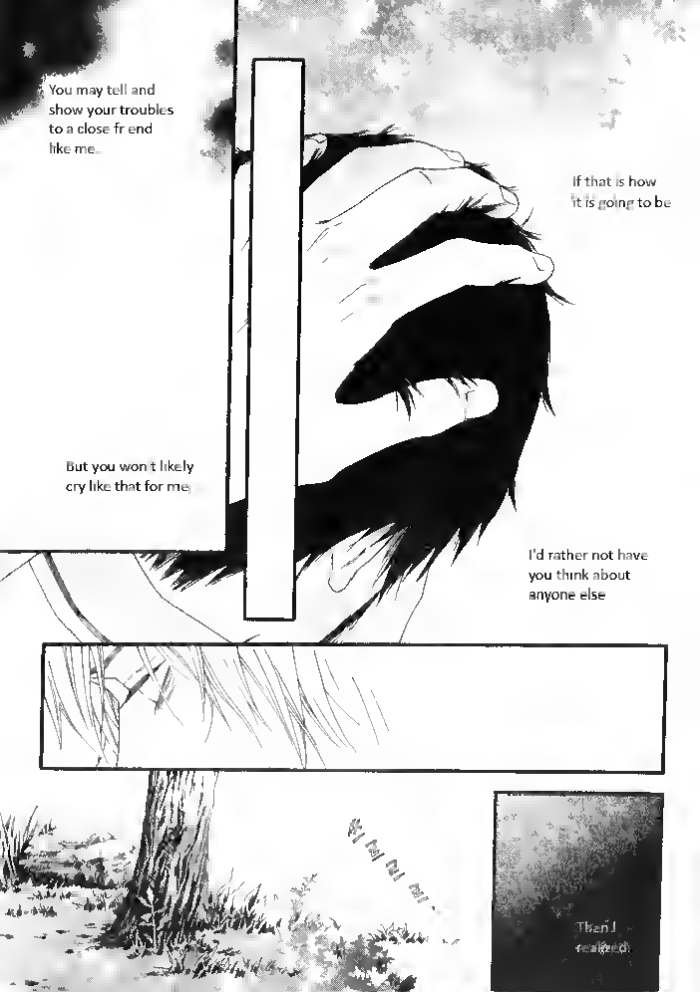
Out of all paths, why does she have to be my half sister.

JANIMES.COM

Why

Moral, social rules, and such

We live to be happy after all.
And even if there is something that gets in the way , who cares. As a friend, I want him to find his happiness.



You may tell and show your troubles to a close fr end like me..
If that is how it is going to be
But you won't likely cry like that for me
I'd rather not have you think about anyone else
Then I realized

When he was looking at his half-sister with such lustful eyes,
I, too, was looking at him in the same way.

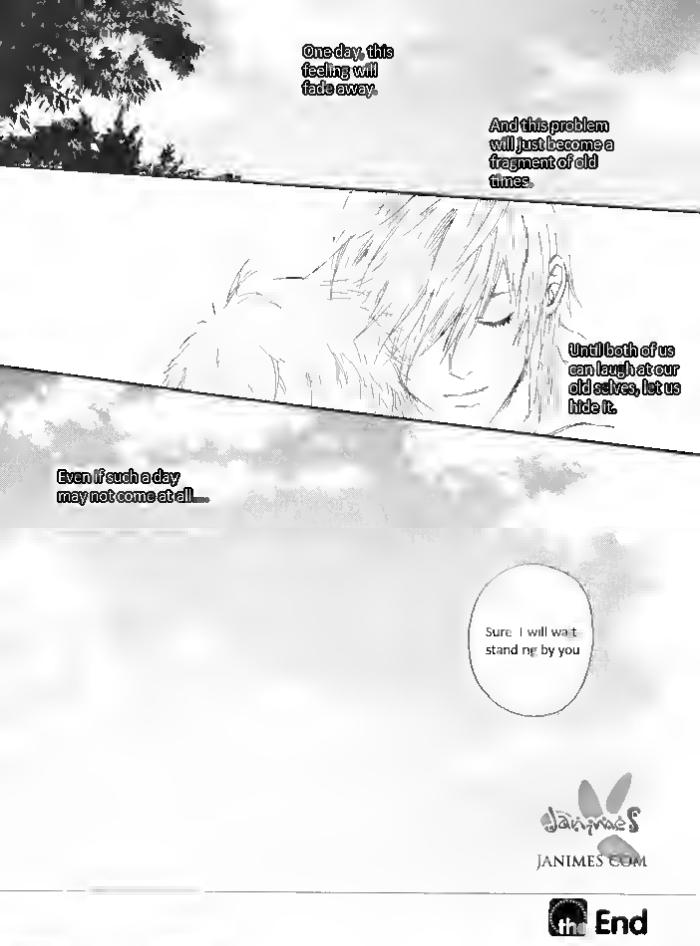
You know like me
Hahaha dude that s a bad joke
What I am saying is not entirely wrong
All you want is like someone
Come on, everyone has at least a right to like some one
That applies to you
As well as me

So, why don't you ?
Stand by her until she becomes a grandmother.
And I will be there to listen to your complains until you become a grandfather.
Dude, thanks.
If it weren't you, I
Hey !
You are too drunk to walk.
Let me carry you.
I know ...

That you look at me with the same face
As I do with my sister
I know how much you care about me
You don't need to say it.
And I am grateful to have such a friend
Don't tell her
I swear, I will stand by her
I will look after her like how you look after me
So
Don't

I won't tell her.
And I won't tell you.
Yeah
Perhaps
He knew my feelings before I did.



One day, this feeling will fade away.
And this problem will just become a fragment of old times.
Until both of us can laugh at our old selves, let us hide it.
Even if such a day may not come at all....
Sure. I will wait standing by you
